InstaPigeon

Pricing About

Pigeons are often called the 'rats of the sky',
but before we dismiss them entirely,

let's take a closer look at these misunderstood birds.

Despite their negative reputation,
pigeons are fascinating creatures
with a rich history of coexisting with
humans in cities around the world.

Pigeons are often called the 'rats of the sky', but before we dismiss them entirely,

even though he's carrying a new strain of bird covid

let's take a closer look at these misunderstood birds.

Despite their negative reputation,
pigeons are fascinating creatures
with a rich history of coexisting with
humans in cities around the world.
